NISA NORA set to shine at SONGBIRDS...*live*TM in August

Nisa Nora will be the next vocalist performing at the 2010 edition of **SONGBIRDS...*live*TM**, the concert series produced by Production One Ltd., featuring new Caribbean female vocalists at the Sky View Lounge, Cascadia Hotel, on **Wednesday 04, August from 8:00 pm**. Greatly acclaimed gospel artist Nisa Nora was introduced to the music fraternity as Genisa St.Hillaire years ago. Having performed both on-stage and in-studio as a top go-to backing vocalist/arranger for many of the nation's premiere artistes, she now brings her brand front and center. Grounded in the Christian faith since birth, Nisa sings music that is positive and inspiring.

As part of the locally famed Love Link International Chorale, Nisa has shared the stage with the Grammy winning CeCe Winans and Yolanda Adams and performed live background vocals for both local and international recording artistes such as; Ron Kenoly, Russell Léonce, Rizon, Luckey, Ruth Osman, Papa San and others. Her great vocals have also landed her supporting roles on the Trinidad Theatre stage as "Dinah" in Glenda McSween-Collen's Jazz Musical **SWING OUT LIVE** and as Moses' wife "Zipporah" in the Raymond ChookKong directed **EGYPT'S CROWNED PRINCE** in 2006 and 2008 respectively.

She has worked with arguably the very best gospel music producers the region has to offer like Cleon Richardson, Clint DeCoteau and now Dion Nora of Sweet Production Studios where she recorded her entire recording debut project, *THAT NAME*. For many, this moment is long overdue and as one well respected local music producer and activist writes on her page; about her debut single **BREATHE**; "I'm very impressed with both the Artiste and the Production of this Track. Perfect example of quality local content."

This is what Nisa has to say about herself:

"I was born with the talent no doubt. The gift of song permeates my entire family. My mother, I believe, is the one who channeled the energy from her creator through her womb to my soul. She herself was a singer and I believe she sang her joys and sorrows and strength through me; thus the talent was born. That talent grew into the gift when I realized that there was something greater than myself, greater than my existence. His name is Jesus Christ. It is because of Him that I sing. It is because I'm inspired.

"In the natural realm, my influences come from both secular and gospel recording artists; Anita Baker, Special Blend, Take 6 and Stevie Wonder just to name a few. Like most musical talent, I've been singing for as long as I can remember. I also write and produce music. I'm also very shy and one of my life long goals is to remain humble.

“So, I’m a grown woman now and my story is quite simple. I love music, music is me and I’m here to share with those willing to be taken on that magical carpet ride, you know the ride, the ride that music creates. There’s no greater fulfillment for me.” An artist well worth the wait if you’ve followed her, or well worth your time if you’re contemplating hearing/seeing her live. Nisa Nora starts her career as she perpetuates the very high musical standard she was born into.

SONGBIRDS...live™ features, from June to December on the first Wednesday of the month, some of the most notable upcoming and unheralded female voices in contemporary music in Trinidad and Tobago with an ear turned to Jazz and World Music. The musical range, from world jazz to neo-soul to quiet storm, places **SONGBIRDS...live™** in a position far separate from the plethora of jazz gigs popping up around the city of Port of Spain. These smaller productions from Production One Ltd. serve as a platform for the recording of the singers and their performances.

Tickets for **SONGBIRDS...live™** are \$100.00 and are available by calling 620-6920, or online at <http://songbirdslive2010.eventbrite.com/> or at the door on the night of the performance.
