SONGBIRDS...*live*TM 2011 cancelled for the season

It is with regret that Production One Ltd. informs you that **SONGBIRDS...*live*TM 2011** will have to be cancelled because of the State of emergency and the uncertainty of the duration. Signals from Government spokespersons suggest that the State of Emergency may extend beyond the initial 15 day period, and this coupled with the mandated curfew period has put paid to our planned production of the series for 2011.

The planned launch in September was put into jeopardy by the announcement of the State of Emergency. To our fans, we hope that you understand that our productions cannot suffer because of the uncertainty of schedules. We look forward to presenting you with a series of shows in the setting and during a period of calm that reflect the standards to which artists and patrons have come to expect from Production One Ltd. Thank you for your understanding.
